February 2024,

## Dear friends!

The birth of our first Harvest Festival Asia and Asia Shall Be Saved movement has taken place! We want to thank you once again for your support and prayers! Words fail to describe what we experienced together as we worked on the Great Commission of Jesus in Chiang Mai, Thailand.

The Harvest Festivals in Asia consist of 3 components:

- \* Christ for all Nations Fire Camp (school) for evangelists
- \* Asia Shall Be Saved day for leaders
- \* Harvest Festival Asia Conference

Christ for all Nations Fire Camp:

A week before the start of Harvest Festival Asia, 190 evangelists, mostly from Myanmar and Thailand, were trained and equipped by 27 CfaN evangelists.

The fire camp evangelists are currently on outreach in schools in Thailand. Thousands of teenagers have given their lives to Jesus in recent days.

Asia Shall Be Saved Day:

Jan. 17 marked the official birth of Asia Shall Be Saved day. Over 275 leaders from Southeast Asia gathered in Chiang Mai to work together around the Great Commission. It was so special to experience the unity among the leaders and, in the process, see new partnerships emerge.

Heidi Baker led the communion where the Spirit of God descended mightily. Cindy Jacobs prophesied God's plan for Asia and Asia Shall Be Saved. Jean Luc Trachsel, Caleb Wehri and Matthew shared God's beating heart for Asia. Jaap Feddes led the round table discussions. All in all, we look back on a very successful and moving leadership day.

#### Harvest Festival Asia:

The first Harvest Festival Asia took place on January 18-20. So many things happened! We are calling it "the birth of Harvest Festival Asia," because it is a new beginning of reaching Asia with the Great Commission of Jesus.

The glory of God touched thousands of people from Southeast Asia. Many gave their lives to Jesus; they were delivered, healed and baptized with the Holy Spirit. Those who already knew Jesus were empowered and encouraged to step out in faith and reach their own communities with the Gospel of Jesus Christ.

So you too can experience a little of the first Harvest Festival Asia, we would like to share some pictures. Would you like to get an impression of the last night? Then click on the [link](#).

With over 4 billion people in Asia, the Great Commission of Jesus Christ is so crucial! Go and proclaim the gospel with signs and wonders and baptize them in the name of the Father, Son and Holy Spirit!
