March 2024,

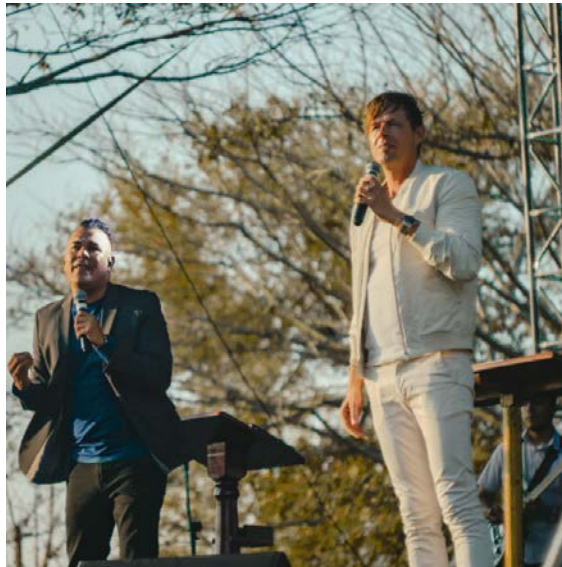

## Beloved Harvest Fields friends!

So many exciting things are happening. In this email I would like to share an update from our recent trips, tell you about my upcoming trip, show you our latest projects, and last but (especially) not least, an update from our family. It is a joy to send you this newsletter!

We recently finished 3 amazing mission trips!

### 1. El Salvador

With Andrey Shapoval we ministered in El Salvador. There is an amazing project of Global Evangelist Alliance to reach every soul in El Salvador with the gospel of Jesus Christ through the power of the Holy Spirit. Andrey and I are part of the executive committee of the GEA. Hundreds of pastors gathered together to be touched by the Word of the Lord and a move of the Holy Spirit. We preached at an outdoor crusade as well, reaching many young people. We also preached at local churches and God marked many people for revival in El Salvador. This year many conferences and Gospel crusades will be organized by the GEA in the cities, to reach every person. It's awesome to work together with 30+ evangelists to see a whole nation being reached.

### 2. Far East Mission Church Tulsa

There were glorious moments in a packed building where many people from Myanmar, (and now living in Tulsa USA) had gathered. I had the huge privilege to minister 5 times in this amazing church. The Word of God changed lives and Jesus' blood cleansed, healed and delivered many people. God moved in a powerful way, each service was gloriously filled with God's presence. In between the meetings I had the privilege to meet with other pastors and leaders for Asia Shall Be Saved.

### 3. Engaging Heaven New London

2 weeks after the collapsing of the EHC New London I had the privilege to minister the Word of God to the amazing strong community of Engaging Heaven New London USA. God moved in such a powerful way at all 4 services. Loved connecting with Bob and Sara Nicolls again.

I will be speaking in the church of Evangelist Daniel Kolenda the Sunday 17th of March, once you read this email the service will be live-streamed on their YouTube channel, If you would like to see this, [click here](#) or on the logo of Nations church.

## Family update

We are doing very well as a family.  
9 months ago we moved to Florida to start a Harvest Fields International base here reaching South America and USA.

Zephaniah, Justice, Destiny, and Chloé are adapting very well.  
At school, Zephaniah, Justice, and Destiny are doing very well.

We celebrated Zephaniah's 18th birthday last week.

Next month both of our parents and my sister and her husband will visit us in Florida.

Your support means so much!

Most of our mission trips, gospel campaigns, conferences and gospel outreaches are covered by our ministry and your contribution and seed makes it all possible to reach thousands of people with the glorious gospel of Jesus Christ, including Israel!

Laura and I want to give you the opportunity to sow a financial seed into Harvest Fields International.
